Edson Landers of Maple avenue and John Gauthier left early this morning for Middlesex, where they will pass the open season on deer. The two Barre hunters will camp on Leader mountain, where they have erected a temporary building.

Officer George K. Carle of John street is taking an annual vacation from his duties at police headquarters. John street people who have seen a lone figure aggressively blazing away at a target on the Kynock avenue meadows every morning during the past fortnight understood the why for this forenoon when they saw the officer leave home with a 38-40 rifle slung carelessly over his shoulder. In company with Raymond Diemer, James Silver and William Clark, Officer Carle will occupy a hunting shack on the foothills of Roxbury mountain during the deer season.

This afternoon at Montpelier, the high school football team of that city is combatting with Middlebury high school, which is likewise a claimant to the championship of the state. Last Saturday Montpelier high school eliminated St. Johnsbury academy from the list. The management then secured Middlebury high school, which comes to this section with an enviable record behind them. Middlebury has cleaned up every school team in the southwestern part of the state. This is probably the last game of the year for the Montpelier lads.

Walter Burke of Maple avenue, a native of Newport, who has been employed by the street department for several months, was arraigned in city court this morning on an intoxication charge. Before Judge H. W. Scott, Burke entered a plea of guilty and was fined \$5 and costs of \$6.54, which he paid. He was arrested on Granite street last night by Chief of Police Sinclair. Fred Herow, born in West Chazy, N. Y., and a resident of East Barre at present, pleaded guilty to a similar offense and was fined \$5 and costs of \$6.09, which he made arrangements to pay. Herow was arrested last night by Officer Edwin L. McLeod.

Manager-Captain Fred H. Merrill of the Goddard seminary football eleven has dispelled all hopes of effecting arrangements between schools in this section for games during the remainder of the season and has issued orders to the hill boys to discontinue with practice. Last night Coach Kurtz sent out a call for basketball candidates, to which but few responded. The practice is being held in the seminary gymnasium, which has been placed in good condition. The greater part of the team of 1912 graduated last spring. Melver, Chapell, McLeay, Tom Carroll, who played center for the seminary last winter and was considered one of the best athletes ever developed in that branch of athletics at Goddard, did not re-enter. The material Coach Kurtz will have on hand to develop will be practically all new.

What Are Your Demands?

When you are buying any kind of merchandise, what are your demands as to the quality and value of the articles purchased? Is the price consideration first or do you demand quality and style first and price as third consideration? When we buy merchandise to offer for sale to the public, we demand that the quality and style shall be right. In buying an article it is not the price you pay that makes you dissatisfied with your purchase. It is the service and style which it gives you. It is very easy to find an article at a cheap price, but if it has not got the style and service, it is like throwing your money away. When we sell you any article of merchandise, we demand that it shall have service and style to meet every requirement.

Facts About Skirts

No article of woman's wear is subjected to quite the strain of wear that the Skirt receives.

The Skirt is so liable to bagginess at the knees. The Skirt so often grows longer and longer and longer at the back and sags at the waist. And then there is the placket that is so apt to be torn open at the bottom.

But there is a make of Skirts to which all these troubles are unknown.

We sell that make. It is labeled the "M. & C." Skirt.

Wherever strain comes, the M. & C. Skirts are re-inforced and stayed. No ordinary wear can make them baggy.

The M. & C. Continuous Placket cannot tear open. Examine and you'll see why the M. & C. idea has been adopted by the best custom tailors.

The many kinds shown here are priced from \$3.98 to \$12.00.

New Wooltex Models

The women whose need points to a new Coat or Suit for Thanksgiving and who knows something of the importance of style and quality in dress for such occasion and who is just as particular about getting something exclusive as she is to get something at a reasonable price.

To such we would commend the splendid NEW WOOLTEX GARMENTS WE ARE SHOWING THIS WEEK.

The styles are the latest, the fabrics are strictly all wool, and the tailoring will command attention and interest whenever seen by women who know good tailoring. We have planned this Thanksgiving showing for some weeks.

You cannot believe how many entirely new models we are showing until you can come here and see for yourself.

We are showing some special values in the ELITE GLOVE FITTING TOP PETTICOATS that are worth looking up.
